CHAIRMAN

Dear Friends,

We are fortunate to live in one of the world's fastest growing economies, one that is characterized by increasingly diverse markets and infrastructure development. Qatar is a country blessed not only with great natural resources but with visionary leadership and, since 2008, a roadmap for economic and social prosperity in the Qatar National Vision 2030.. We are wanting to participant in remarkable economic development of Qatar.

For that OMAS TRADING CONTRACTING & SERVICES W.L.L. has been able to contribute significantly to this growth throughout decades it has been operating and we will always make every effort to play our part in driving Qatar's success and economic prosperity.

**MANAGING
DIRECTOR & CEO**

Dear Business Friends,

Two decades ago, it was considered cost efficient to directly employ maintenance staff; none of us could imagine any better way of maintaining a building or premises. When the term outsourcing emerged it revolutionized our world and gave us a completely new approach to maintenance services. Mill mount Maintenance offers a 'one-stop shop' for integrated maintenance services.

Through a single point of contact our clients receive a simplified, cost-saving, risk reducing, efficient service that is rarely achieved through direct employment. We look forward to counting you amongst our satisfied clients.

OUR MISSION

By delivering functional excellence and maintaining a relentless focus on quality, commitment and innovation, we will continue to strive to implement critical initiatives to achieve our vision. At OMAS TRADING CONTRACTING & SERVICES W.L.L, we believe that the foundation of any business builds trust. And by building trust in our clients, associates and business partners by understanding their needs and interests. To be a leading construction company in the global market. To become the customers' most preferred choice by attaining excellence in quality and timely completed value-added projects. To provide the highest level of service in the construction industry while offering superior craftsmanship to every project, we handle. We will work harder to ensure that their exceptions are always met.

OUR VALUES

We provide exceptional service to our clients, going beyond 'normal' expectations. We respect our clients and the business they provide and offer them a service that secures value for their money and peace of mind. This is what makes us different. Commitment to Quality – We take pride in our work, performing to the best of our ability and to the highest possible standard. We give a fair and transparent price for our services, and all decisions are taken to ensure that the outcome is beneficial for our clients and the company. To continually improve the competence of our team, and employ diverse, innovative & results-oriented personals, motivated to deliver excellence.

OUR VISION

Explore the amazing potential of a growing nation through strategic planning, technological powers, and its professional workforce and position itself as a leading combination in the Middle East. Implement sustainable programs that enhance customer satisfaction growth in every service we provide for present and future generations. To become the leading construction firm, while delivering projects that consistently exceed international standards and provide exceptional customer satisfaction.

To continually deliver excellent value & innovative construction solutions to meet our client's requirements.

Using modern principles and sophisticated technologies, OMAS Company envisions being the primary preference at all times both nationally and globally, for their renowned excellence, quality, performance, and reliability in all types of constructions.

MAINTENANCE

Building maintenance contractors take over once the construction and designing have ended. Unfortunately, many property owners neglect this step, which results in properties declining over time. Maintenance is an essential aspect of any property's appearance. Regular, consistent maintenance can keep a location looking refined, all while allowing it to function best. OMAS understands this idea, which is why we strive to bring quality building maintenance contracting and subcontracting opportunities to any location. Building maintenance contracting includes a variety of different job types and skill sets. However, it takes an extensive team of skilled workers to maintain any building or property properly.
